EXPERIENCE

Associate Consultant - Oracle (July 15, 2019 - Present)

- As an Oracle Revenue Management and Billing (ORMB) Consultant our job is to modify ORMB to match the client's business rules and meet their expectations.
- We are also mandated to create a Unit Test Plans so that the Testers from the client side or other Developers in the team will know how to test our deliverables.
- We also assist the Clients/Testers whenever they got issue during testing or if there are some production issues.
- We are following the Agile Scrum Methodology for a fast-pacing development and an accurate track of our deliverables.
